

00:24:12 Jean Jagodzinski (she, her): <https://agencies.2harvest.org/food-rescue>

00:34:19 Jean Jagodzinski (she, her): If you don't know who your food rescue specialist is, please contact [orders@2harvest.org](mailto:orders@2harvest.org) and they'll get you in contact with us!

00:35:29 #1 MannaFood: Karla, is it typical right now that the Wal-Marts are not donating any produce? We have not received any produce from them since October?

00:35:57 Francisco SHH (he/him):love that this relationship came about!

00:36:44 Jean Jagodzinski (she, her): Everyone is having differing experiences right now. Agencies should reach out to their food rescue specialists or orders to get a good overview of their food rescue program.

00:39:00 Gaylon Moody: On the dairy slide it looked like you cannot take eggs

00:40:40 Nita Annandale Food Shelf: We at Annandale appreciate all the assistance from Song.

00:40:59 Jean Jagodzinski (she, her): 😊

00:42:45 Sue.Hanks: I found it important to know the dates here are for Food Rescue, not necessarily safe food distribution dates

00:42:56 Melissa B (she/her) Calvary FS Mpls: eggs are good for weeks after the date, aren't they?

00:44:24 Andrea's iPad: Outside of special events we haven't been engaged in food rescue since 12 Baskets. Where do we start?

00:44:27 Sue.Hanks: Is anyone working to change that. It doesn't match USDA

00:47:20 jstickney: still muted

00:49:22 Jean Jagodzinski (she, her): One more thing on eggs -- if you receive TEFAP eggs, they state the pack date, not the Julien best-by date.

00:56:32 Nita Annandale Food Shelf: Is this available in Wright County?

00:58:03 jeane: Are you going to discuss the new ordering system today?

00:58:36 Alana Ziehl Kandiyohi County Food Shelf: For the prepared food, I am assuming their is ingredient labels on each meal?

00:59:52 Julie Vanhove: Prepared meal donations are for meal programs--they are not labeled for food shelves to distribute to families. Think leftover pans of lasagna.

01:06:19 Sue.Hanks: This is a significant change and very costly regarding the egg direction even eggs from Second Harvest Is there not a legislative arm or advocacy level at second harvest to address this.

01:07:39 Annissa Zynda: I'll repeat Jean's comment from above -

One more thing on eggs -- if you receive TEFAP eggs, they state the pack date, not the Julien best-by date.

01:07:48 #1 MannaFood: There was a comment earlier in the chat: Are you going to discuss the new ordering system today?

01:09:03 Lisa Boyd (she/her) SHH: We don't have anyone from the customer service team available today to answer questions about the Heartland Hub. But if people want to share their concerns in the chat, we can pass those along.

01:09:31 Melissa B (she/her) Calvary FS Mpls: are TEFAP EGGs. the same as grant eggs for us in Hennepin County?

01:10:36 Lisa Boyd (she/her) SHH: Melissa - Your TEFAP eggs come from The Food Group. They are not the same as GRANT eggs from SHH.

01:11:18 Alana Ziehl Kandiyohi County Food Shelf: I have not received an invoice via email from our delivery on Tuesday and it's not in Heartland Hub. How can I get the invoices on a timely manner like prior to the change to Heartland Hub.

01:11:19 Jean Jagodzinski (she, her): Eggs\_Statute\_29.26

01:11:37 Jean Jagodzinski (she, her): MDA

01:11:52 Chris Songalia-Neighborhood House: Minnesota Statutes 29 and Minnesota Rules 1520.

01:12:06 Jean Jagodzinski (she, her): <https://www.revisor.mn.gov/statutes/cite/29.26>

01:12:39 Lisa Boyd (she/her) SHH: Please add any questions on the Heartland Hub in the chat and we'll pass them along

01:13:49 1Browerville Area Food Shelf: Alana, I am in the same boat I got a email early in the morning and not all my stuff was shipped, but we were charged for it When I emailed and asked for a new statement all the staff were in a meeting waiting for a new statement.

01:13:57 Nita Annandale Food Shelf: Maybe next month could be devoted to Heartlnd Hub.

01:14:14 Jo W. Delano Helping Hands: Jo - at Delano HH Food Shelf - we haven't gotten our invoice either.

01:14:51 Melissa B (she/her) Calvary FS Mpls: yes!! we need to know what to expect

01:14:55 Stuart Iseminger, NorthPoint Health & Wellness Center: Thanks, everyone!

01:14:58 #1 MannaFood: "THANKS!"
