00:36:49 julia anderson, CCFS PP:Centennial Community FoodShelf Powerpack: What is the difference of them coming and picking up at the school vs. coming to the food shelf to obtain food? Is it easier to come to the school? Can the same families come to the food shelf to pick up food?

00:39:04 Paula - Pipestone County Foodshelf: what did you mean by 'food drive'?

00:43:35 Paula - Pipestone County Foodshelf: who manages it at the schools? Teachers? volunteers? how do you track amount distributed, etc?

00:53:09 julia anderson, CCFS PP:Centennial Community FoodShelf Powerpack: Is it open to all students?

00:59:25 Dan Fielding (he/they) (360 Communities): When supporting adults with meals what are some of your other funding sources?

01:06:57 Alana Ziehl Kandiyohi County Food Shelf: We only give things out that kids can handle themselves without using the oven/stove. A lot of our parents aren't home to help with this so for safety, we don't give out items that need to have a stove or oven to eat.

01:07:16 Dave Rudolph: I have to leave for another meeting. Thank you everyone.

01:09:17 Sophia Ogren-Dehn (she/her): <http://eepurl.com/gS3yND>

01:10:54 Stuart Iseminger NorthPoint Health & Wellness Center: Great meeting today, thanks for having us!

01:11:04 Kelcie Litchfield (she/her) Second Harvest Heartland: Thanks panelists, and Char for facilitating! I loved hearing about this work with schools and kids/families.
