What was on the table?

- \$3M for food banks and The Good Acre to source local food for the hunger-relief system, plus ongoing funding
- Increase SNAP income eligibility to 200% FPL
- Universal school meals, or an expansion of the Community Eligibility Provision (CEP)
- \$23M in grant and infrastructure support for emergency food system
- ~\$11.5M support for tribal food security efforts

Special session unlikely at this point.

2023 Farm Bill and FY2023 Appropriations

- Upcoming federal opportunities to get increased investment in programs like SNAP, TEFAP, CSFP, and food rescue
- FY23 appropriations best chance to get more TEFAP funding
- Farm Bill authorized every five years, governs agriculture and nutrition programs
- SHH hosting Farm Bill listening sessions in every Congressional district
