### For community members

#### Food Shelves and community meals

Everyone, including those who live in residential housing like group homes, rehabilitation facilities, recovery, etc. are able to access food at food shelves and community meals individually or as a family, if applicable.

You can find out more information about programs near you at 888-711-1151 or [www.hungersolutions.org](http://www.hungersolutions.org) at this link: <http://www.hungersolutions.org/find-help/#map>.

Your local food shelf often knows about other ways to access food in your area!
